Dated Bangalore, 19th August 189

Sir,

I am directed to forward herewith, for the consideration of His Highness the Maharaja, copy of your spare No. marginally noted, with enclosures, relative to the proposal to grant a free pass to Kolar for the pensioners employed as warders in the Kolar and in the Police Force who are put to the hardship of having to proceed monthly to Kolar town or Bangalore to receive their pensionary stipends.

Face sheet of Mysore Government, 11th August 1893, relative to a proposal to grant a free pass [with 2 spare copies].

2. The Right Honorable the Governor in Council being fully convinced of the hardship entailed on the pensioners in question in having to proceed to such distances to receive their pensions is very desirous of adopting some means of removing the difficulties complained of, and of the proposals submitted with the accompanying correspondence, His Excellency in Council considers the suggestion to have the pensioners paid at the hands by Mr. Hume Wright, Special Magistrate and Justice of the Peace, Kolar Gold Fields, to be a good one and the only possible way, under the circumstances, of relieving the pensioners from the hardship in question.

I am therefore to request that, if Mr. Hume Wright

has no objection to undertaking the duty of paying the pensioners concerned on the remuneration* prescribed in article 768 [c], Army Regulations, India, Volume I., Part I., the Durbar will accord their sanction to this arrangement, provided no inconvenience is caused to the State thereby.

*Viz., Rs.14 per mensem, when the holders of pension and family certificates amount to or exceed 100, with an increase of Rs.2 for every additional 50 up to 400; and after that an increase in the rate of Re.1 for 25 certificates.

I have the honor to be,

Sir,

Your most obedient servant,

H.V. Cobb.

GOVERNMENT OF MADRAS.

MILITARY DEPARTMENT.

Pensions.

Read the following papers:—

No. 76. *From Lieut.-Col. C. F. THOMAS, Controller of Military Accounts, to Brigdr.-Genl. H. R. HOPE, Secretary to Government, Military Department; dated Madras, 8th May* 1893, *No.* 358-*G.*

I have the honour to submit, for the orders of Government, the accompanying correspondence * having reference to payment of pensioners employed in the Kolar Gold Fields.

* Letter from G. H. Wright, No. 622, dated 9th February 1893.
Pay Examiner's letter, No. 2506-P/A, dated 9th March 1893.
Letter from the Officer in charge of Pensioners, Kolar District, No. 206, dated 14th March 1893.
Pay Examiner's letter, No. 2638-P, dated 22nd March 1893.
(Favour of return requested).

2. Pensioners employed in the Kolar Gold Fields proceed either to Bangalore or to the District treasury in Kolar town (21 miles from the Gold Fields) to receive their stipends. Most of them, however, on reaching Bowringpet, prefer continuing the journey to Bangalore by rail to travelling the remaining 11 miles thence to Kolar town by road.

3. The distance from the Mines to Kolar town is stated to be 21 miles, and from Bowringpet (at which point the pensioners separate) to Kolar town is 11 miles; the distance from the Mines to Bowringpet, where the sub-treasury is situated, must, therefore, be about 10 miles.

4. In his letter No. 206, dated 14th March, the officer in charge of pensioners, Kolar district, suggested that the pensioners be paid at the Bowringpet sub-treasury, and asked for orders accordingly; but in his letter No. 213, dated 28th March 1893, he states that work in the sub-treasury is very heavy and suggests that, as payment to European pensioners involves certain intricacies and exchange calculations, the payment be made over to the Special Magistrate at the Gold Fields. If, however, Mr. H. Wright (the Special Magistrate) is appointed to the charge of pensioners employed in Kolar Gold Fields, he will only receive Rs. 14,† his acceptance of which is very doubtful.

† For about 102 pensioners.

5. It appears to this department that the hardship complained of by the pensioners will be considerably mitigated, if payments are made at the Bowringpet taluk treasury, as the distance to be travelled by the pensioners will be reduced to about 10 miles. The officer in charge of pensioners should, therefore, arrange ‡ to pay the pensioners himself at Bowringpet if the Sub-treasury officer cannot do so. The payments can doubtless be completed in a couple of days, and the officer in charge of pensioners might be granted the travelling allowances admitted § to officers in charge of group stations.

‡ Paras. 56 to 59 of the Regulations for Military Pensions (1885), Part II.

§ Proceedings of Government, Military Department, No. 3034 of 19th May 1886.

From G. H. WRIGHT, Esq., Special Magistrate and Justice of the Peace, to the Controller of Military Accounts, Fort St. George; dated Kolar Gold Fields, 9th February 1893, No. 622.

I have the honour to inform you that there are several military pensioners employed at the different mines and in the Police Force in the Kolar Gold Fields, some of whom have complained to me that they suffer great hardship and inconvenience in having to draw their pensions at Bangalore and Kolar town which is 21 miles from the Gold Fields; they are put to the expense of travelling to and from these places and also lose their pay at the Mines for the days they are absent. I understand that there has already been some correspondence on the subject; I therefore take this opportunity of submitting a nominal roll of all the military pensioners—Europeans, Eurasians and Natives —employed at the Gold Fields, with a proposal that, if a sufficient allowance be made to me, I will undertake the duty of paying these men. I have already spoken to the Deputy Commissioner of this district on the subject, and can arrange to have the amount of pensions transmitted from the Bowringpet treasury to the Gold Fields where my head-quarters are situate. I may also point out that it would probably be an advantage to Government if the pensioners were paid here, as it sometimes happens that men drawing pensions are in civil employ yet continue to draw such allowances as rice-money to which I am given to understand they are not entitled, and sometimes the relatives of pensioners draw their pensions after the individuals are dead. There appears to be a demand for the services of pensioners at the Gold Fields, and probably in time the number will increase; as far as I can ascertain, there are at present 82 men employed as shown in the roll herewith enclosed; there may be others who have not been found; there are also about 20 pensioners in some villages about 4 or 5 miles from my head-quarters.

No. 662-T.

Forwarded.

(Signed) C. W. RAVENSHAW, Major,
First Assistant Resident.

BANGALORE,
23rd February 1893.

From T. J. EVANS, *for* Pay Examiner, Military Accounts Department, Madras, to the Officer in charge of Pensioners, Kolar District, Kolar; dated Madras, 9th March 1893, No. 2506-P/A.

A complaint having been preferred to this department that the pensioners residing at the Kolar Gold Fields and the adjacent villages experience great difficulty in proceeding to the Kolar town for the receipt of their pensions, I have the honour, with reference to paras. 56 to 59 of the Regulations for Military Pensions (1885), to enquire, for the information of the Controller of Military Accounts, why arrangements should not be made by you to pay the pensioners at some central spot in the Kolar Gold Fields, on a certain date in each month which can be arranged by you.

It must doubtless be very inconvenient to the pensioners to travel a distance of 21 miles to and from the head-quarters treasury at Kolar. Please, therefore, inform this office, as early as practicable, whether you can arrange to make the payments in question at the Gold Fields, commencing with payments to be made next month.

From M.R.Ry. W. SHAMA ROW, *for* Officer in charge of Pensioners, Kolar District, to the Pay Examiner, Military Accounts Department, Madras; dated Kolar, 14th March 1893, No. 206.

In reply to your letter No. 2506-P/A, dated 9th instant, I have the honour to inform you that there are difficulties in the way of arranging at the Gold Fields for the payment of the military pensioners therein resident. There is no treasury at Ooregaum (Gold fields) which is the head-quarters of the Special Magistrate, the Amildar's office and treasury being located at Bowringpet, the taluk head-quarters. The military pensioners of the Gold Fields now go to Bangalore for their pensions passing through Bowringpet, and if they could be paid at the Bowringpet taluk treasury, they would be saved the trouble of continuing their journey to Bangalore. As I am in charge of the District treasury which I cannot leave without handing over charge of it to another officer, the provisions of sections 57 and 59 of the Code of Pension Regulations cannot be properly given effect to by me, and so, I have to request orders for their payment at Bowringpet sub-treasury.

Mr. Hume Wright's letter is returned enclosed, and I take this opportunity to bring to your notice that, in view of the daily increasing number of European pensioners at the Gold Fields, his proposition, if approved and sanctioned, would prove of great convenience to the pensioners.

From T. J. EVANS, *for* Pay Examiner, Military Accounts Department, Madras, to the Officer in charge of Pensioners, Kolar District; dated Madras, 22nd March 1893, No. 2638-P.

With reference to your No. 206 of the 14th instant, I have the honour to enquire whether I am right in supposing that the District treasury of which you are in charge is situated in the Kolar town.

2. In your letter under reference you suggest that the military pensioners at the Gold Fields be paid at the Bowringpet sub-treasury, from which I infer that that place would be more easy of access to the pensioners than either Bangalore (to which station some of the pensioners proceed for payment) or the Kolar town, where it is presumed you make payments to certain pensioners.

3. Mr. Hume Wright's letter and its enclosure are therefore retransmitted to you, with the request that you will intimate whether the pensioners situated at the various places shown in his statement will find it more convenient to be paid at the Bowringpet sub-treasury than to proceed to Bangalore and Kolar town for payment, as from your letter it would appear that the pensioners employed at the *various* places in the Mines pass through Bowringpet on their way to Bangalore.

From the Officer in charge of Pensioners, Kolar District, to the Pay Examiner, Military Accounts Department, Madras; dated Kolar, 28th March 1893, No. 213.

With reference to your letter No. 2638-P, dated 22nd instant, I have the honour to inform you that the District treasury of which I am in charge is situated in the Kolar town as you surmise.

With regard to paras. 2 and 3 of your letter under reference, I have the honour to inform you that the military pensioners at the Gold Fields must pass through Bowringpet to get to Kolar or to Bangalore. They find it more convenient to go to Bangalore by railway, a journey of two hours, than to travel the distance of 11 miles between Bowringpet and Kolar by road. I send enclosed a rough tracing from Topo. sheet No. 172, which will show the disposition of the different mines and their distances from Bowringpet. The Court of the Special Magistrate is near the Mysore mines and is centrally situated.

The Amildar's work in the Bowringpet taluk is very heavy; moreover the payment of pensions to European pensioners involves certain intricacies and exchange calculations which could be better understood and attended to by the Special Magistrate than by the Amildar. The Taluk establishments are not provided with English-knowing clerks. The pensioners also will find it more convenient to be paid by the Special Magistrate.

Mr. Hume Wright's letter is returned herewith.

In returning the correspondence referred to me for report under your endorsement No. 3162 of 15th instant on the subject of inconvenience experienced by the military pensioners employed at the Gold Mines and in the Police Force at Kolar in having to proceed to the Kolar town or to Bangalore for the purpose of drawing their pensions, I have the honour to inform you that I fully concur with the Controller of Military Accounts, Fort St. George, in the opinion expressed by him in his letter No. 358 of 8th instant, that the officer in charge of pensioners, Kolar district, should arrange to pay the pensioners himself at Bowringpet, if the Sub-treasury officer at that station cannot do so, and the said Paying officer might be allowed the travelling allowances admitted to officers in charge of group stations.

2. I beg to inform you at the same time that the above correspondence was forwarded for my views on the subject by the Controller of Military Accounts, through the Pay Examiner, Fort St. George, and I offered him the same opinion that I now have given.

No. 3692.

Retransmitted to the Superintendent of Pensions for favour of information as to whether, under the circumstances of the case, he could not suggest some other means of arranging for the payment of the pensioners concerned.

(By Order.)

OOTACAMUND, 7*th June* 1893.

(Signed) H. R. HOPE, Brigdr.-Genl., *Secretary to Government.*

To the Superintendent of Pensions, for favour of report through the Controller of Military Accounts.

No. 78. *From Col. FANE SEWELL, Superintendent of Pensions, to Brigadier-General H. R. HOPE, Secretary to Government, Military Department, Ootacamund; dated Fort St. George, 19th June* 1893, *No.* 1433.

In retransmitting the papers returned to me under your endorsement No. 3692 of the 7th instant, to suggest some other means of arranging for the payment of pensioners employed at the Gold Mines and in the Police Force at Kolar, I have the honour to inform you that, as the pensioners would find it inconvenient to proceed to Bowringpet, a distance of about 10 miles from the Mines, and return every month,

and as it has been reported by the officer in charge of pensioners, Kolar district, that the Amildar's work in the Bowringpet taluk is very heavy and the taluk establishments are not provided with English-knowing clerks, I would suggest, G. Hume Wright, Esq., Special Magistrate, Kolar Gold Fields, might be directed to take charge of the pensioners there, should he agree to receive the allowance he would be entitled to for the actual number of pensioners that may be paid by him, in accordance with the Regulations. In that case, he will have to render the usual monthly accounts direct to the Pay Examiner, Fort St. George, and submit the required returns, &c., to this office, as per Pension Regulations.

2. Should the Special Magistrate, Kolar Gold Fields, refuse to undertake the payment of the pensioners on the conditions offered, then the only course left for the payment of the pensioners at the Mines is to direct the officer in charge of pensioners, Kolar district, to call upon the pensioners' employer or employers to submit to him monthly the life-certificates of the pensioners employed in the Mines, and on receipt thereof to forward the amount of pensions to be paid to all the pensioners there, either by means of a remittance transfer receipt in favour of the pensioners' employers on the nearest treasury there, which I suppose is the Bowringpet treasury, or by means of a postal money order, the pensioners undertaking to defray the cost of commission thereof.

3. I further beg to inform you that in this latter case, when the first remittance is sent, the officer in charge of pensioners, Kolar district, should forward (to be returned to him) the pension certificates of the pensioners to their employers for them to see whether the pensioners are the identical pensioners referred to in the certificates. The said Paying officer, Kolar district, should also annually, on the occasion of annual muster, forward (to be returned to him) the pension certificates of the pensioners to their employers, so that they may muster them with the descriptions given therein, and communicate the result thereof to him for embodiment of the same in the "nominal roll of pensioners examined" submitted by him to this office annually. This is the course adopted in the case of those pensioners who are employed at a great distance from their pension stations and are in consequence unable to attend musters and payments. Either of the two courses suggested might be adopted, the first being the preferable one, as less likely to lead to difficulties and more within official jurisdiction.

No. 7. — *From Lieutenant-Colonel C. F. THOMAS, Controller of Military Accounts, to Brigadier-General H. R. HOPE, Secretary to Government, Military Department; dated Madras, 15th July* 1893, *No.* 569-*G.*

In forwarding letter No 1433, dated 19th June 1893, from the Superintendent of Pensions, I have the honour, with reference to para. 1 thereof, to state that, from the latest account submitted by the officer in charge of pensioners, Kolar district, there are in all 317 pensioners and family certificate holders in his payment, and an allowance of Rs. 22 is paid to him for the conduct of the duties of his office under Army Regulations, India, Volume I., Part I., article 768 (*c*), but the number 317 includes payments made throughout the district. Mr. Hume Wright's payments would, however, be limited to those pensioners residing in the vicinity of the various mines numbering about 102. Even in the event of that number being increased to 150 (in case these pensioners who now proceed to Bangalore come into Mr. Hume Wright's payment), the allowance payable would be only Rs. 16, which would, perhaps, just suffice to meet the cost of a writer and stationery, &c. Mr. Hume Wright would not receive any *personal* allowance. Under these circumstances it is doubtful whether he will undertake the duty of paying the pensioners at the Mines. If he will do so without any personal remuneration, the suggestion in para. 1 of the Superintendent's letter is approved of, provided Government sees fit to appoint Mr. Wight.

2. The other course suggested in paras. 2 and 3 of Colonel Fane Sewell's letter does not commend itself to this office for the following reasons:—

(*a*) Remittances of pension moneys would be made to private individuals over whom Government has no control.

(*b*) The inutility of forwarding pension moneys by means of remittance transfer receipts to the employers in the various mines who would have to send the remittance transfer receipts all the way back to Bowringpet to be cashed. The risk entailed in the transmission of the money back again from the Treasury to the Mines.

(*c*) Forwarding pension moneys by postal money orders would also entail serious risk, as the postman would have to carry rather large sums of money, which would very probably be a source of temptation to the thieves in the locality.

(*d*) The forwarding of the pension certificates to and from the different mining centres would often result in loss of those documents.

3. The proposal contained in paras. 2 and 3 of the Superintendent's letter can only be safely applied in isolated cases, where the remittance made is in respect of one or two pensioners and where there are treasuries or post offices at the stations at which the pensioners are residing.

4. After a full consideration of the question at issue, this department is of opinion that there can be no better method of paying the pensioners than that suggested in para. 5 of this office letter No. 358-G of 8th May 1893, as Government is not bound to arrange for the payment of pensioners wherever they may choose to reside or obtain employment, although it may try to minimise any inconvenience experienced. The proposal made by this department will, if carried out, considerably reduce the difficulties experienced at present by the pensioners at the Mines.

Sir,

With reference to your memo No. 6642/G1544 dated the 3rd instant forwarding copy of your letter No. 6641/G1543 of the same date to the address of the First Assistant to the Resident in Mysore regarding a special arrangement for paying the British pensioners employed at the Kolar Gold Fields, I have the honor to state that the Special Magistrate who was asked to report on the several points raised in your letter No. 3720/G915 dated the 24th August 1893 did not furnish the information called for in para 2 of the same but as the necessity for answering the enquiries referred to appeared to have been superseded by that Officer's reluctance to undertake the duty of paying the

pensioners in question, it was considered unnecessary to delay any reply to your letter by making a further reference to Mr. G. Hume Wright on the matter.

2. The information has however now been again called for from the Special Magistrate and will be submitted on receipt.

I have the honor to be,

Sir,

I am directed by my Board, to write and ask you to thank the Dewan for the arrangements made, for the payment of pensioners employed on the Kolar Gold Field, at the Bowringpet Taluq Office and to state that it will be a very great convenience to the Companies, as at present, pensioners very often have to get leave for 2 or 3 days to fetch their pension when they can least be afforded.
